Additional information:

The bracelet can be made at the desired length. Length as described in this pattern is 16.5cm / 6.5 inch (excl. clasp) each extra RIV10 makes the bracelet 2.5 (1 inch) longer.

Crystal color suggestion: This bracelet is great to use all different colors of RIV10 and BIC3.

SB11 color suggestion: Use a different color SB11 for the "outline" putting it all together step 4.

For this 2 tone 10 grams SB11A and 6 grams SB11B (outline) are needed.

This bracelet is made of different loose pieces that will be connected. You can leave your working thread on each piece to use it to connect the pieces later on. Tie of the tail thread with several half-hitch knots around existing thread.
